

Directions Video Studio

1

**Arrival with tram no. 10
In the direction of the airport**

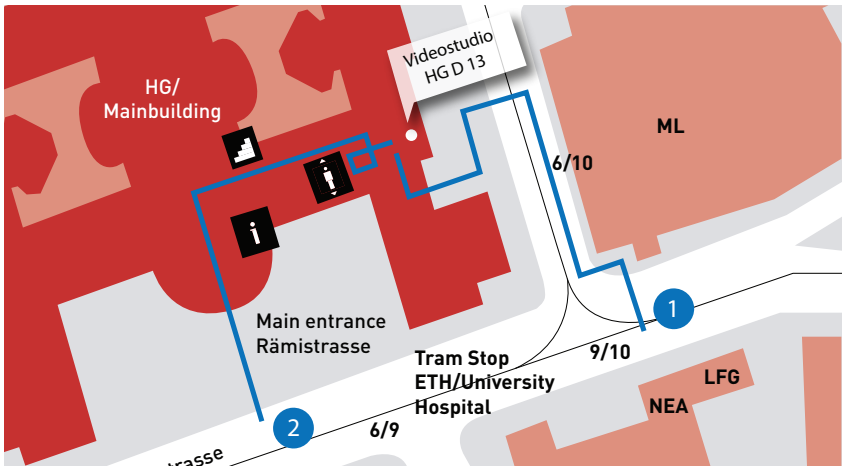

Cross the street and follow the pavement to the pedestrian crossing at the end of the tram stop (6/10). Cross over the street here. On the left you will find a paved path that leads downwards. Follow this to the passageway leading to the car park. Enter the ETH building on your right and follow the corridor to the video studio HG D 13, which is on the right.

2

**Arrival with tram no. 6
In the direction of the zoo**

From tram stop 6 you enter the ETH building via the main entrance. Walk up the stairs on the right after the Campus Info board (direction HG E 26.1/3). At the end of the corridor on the right side, you will find HG E 16. Opposite this office there is a goods lift and a staircase leading directly down to the video studio. HG D 13.

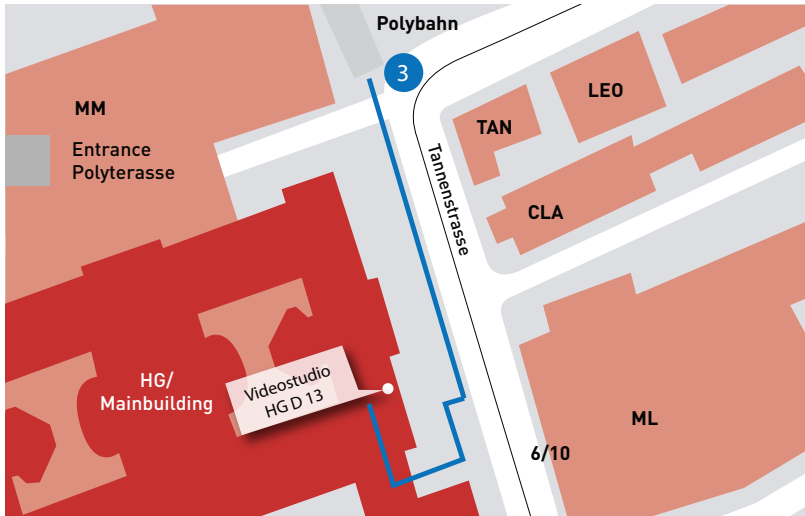

3

Arrival with the “Polybahn”

When you exit the Polybahn, cross the road and follow the pavement to your right until you reach the paved path on the ETH site. Follow this to path until you reach the passageway that leads to the car park. Enter the ETH building on your right and follow the corridor to the video studio HG D 13.
